

TOP FIVE REASONS VETERANS PREFER VA HEALTH CARE!

1. VA treats the “Whole Veteran” Mind, Body and Spirit.
2. VA uses evidence-based treatments driven by measurement-based care, not fee-based incentives.
3. VA providers support and embody the vision and mission with a keen knowledge of military culture and the conditions, experiences and illnesses that are unique to Veterans. VA employees provide care that honors their service.
4. VA Specialty Care including Mental Health Care - PTSD, Depression, Suicide Prevention; Spinal Cord Injury, Traumatic Brain Injury, Poly Trauma, Orthotics and Prosthetics, Diabetes, and its growing health care services for women Veterans are considered the best in the world.
5. VA Telehealth and Rural Health Care is provided to Veterans across the nation; improving access to care.

*VFW 2015, 2017, 2018 surveys relayed in its “Our Care Report” at <https://www.vfw.org/advocacy/va-health-care-watch> shows large number of Veterans prefer VA care.
